ILC THE WORLD'S PREMIER LIMOUSIN CATTLE EVENT

The International Limousin Council is the world parent organisation for Limousin Associations around the globe. This event has a huge standing in the Limousin calendar going back to 1973.

Every two years an International Limousin Congress (ILC) is hosted in a different country. It represents the world's premier gathering of Limousin breeders and Limousin enthusiasts where friendships are forged, ideas are exchanged and lasting memories are created. In 2014 a strong contingent from Ireland attended the congress in Argentina. The Congress is the perfect vehicle to exchange breed views, research, market and technical information.

August 20th to 28th 2016 sees the event hosted in Ireland by The Irish Limousin Cattle Society. Showcasing world class cattle to a worldwide audience.

We promise a full, varied and great **value** programme and a memorable trip to Ireland.

IRELAND 2016

The congress will showcase the very best Ireland has to offer: our rich, diverse countryside, our culture and our outstanding Limousin Cattle.

An Opening Ceremony and Banquet in Athlone, a one-day Technical Conference in Grange, and a nationwide travel programme will culminate with the much anticipated National Limousin Show, Parade of Champions, Elite ILC Sale, Gala Banquet and Closing Ceremony in Kilkenny.

“WE LOOK FORWARD TO WELCOMING YOU”

PARTICIPANT PROFILE

ILC 2016 will be attended by delegates from all over the world. Presently there are 26 countries, across the five continents affiliated. The delegates (International and National) are primarily high-profile, well-established experts in their field, professionals in the food and agri business sector.

The delegates are interested in experiencing new cultures, new ideas and new opportunities. The quality of the congress is a key attraction for them. With our close proximity to the UK and France where Limousin is extremely popular we envisage substantial representation from these countries. For many visitors the congress forms part of an extended visit.

This event will attract thousands of Limousin enthusiasts from home and abroad.

“ We are immensely proud to be hosting this world-class event in Ireland ”
Paul Sykes, Irish Limousin Cattle Society.
